Clearance & New Toshiba Lcd Tv Free Next Day Ship Toshiba Lcd Tv

The new **15LV506 Toshiba Lcd HdTv Dvd Combo** with a 15.6 inch Diagonal Widescreen and 720p display resolution is the perfect *space saver* for any home, especially if you like to watch TV in the kitchen while preparing meals, eating or watching your favorite Tv Chief in action.

You can even watch an instructional Dvd on how to prepare your favorite exotic meal for your family with the **Toshiba Tv Dvd Combo**. It's light weight, compact and portable design allows you to move it around from one countertop to another with ease.

It's also great *space saver* to have in a college dorm room or as a matter of fact any room where space is limited. The slim framed new stylish contemporary design model [15LV506](#) can be placed in a small home office, child's bedroom or your kitchen.

Because you have one complete entertainment package in one compact unit, not two separate units, you can move the Tv from one side of the room to the other side without having to worry about clutter

laying around from extra components or cables because the Dvd Player is built into this nifty 15.6 inch Widescreen Lcd HdTv Combo.

Toshiba 15LV506 Features and Technical Specifications

The Features and Technical Specifications for the **Toshiba** model [15LV506](#) are really quite impressive for this Tv Dvd Combo.

The LCD 16:9 widescreen Aspect Ratio allows you the flexibility to playback a variety of media formats such as MP3, WMA, JPEG and DivX. The HDMI and PC inputs, on these sets allows you to be hooked up to High Definition devices or can be used with a computer, and support gaming and receiving High Definition broadcasts.

Impressive Reviews and Ratings for the Toshiba 15LV506

The **Toshiba 15LV506** has a customer [review](#) rating of four and half stars out of five, which is quite impressive. As a matter of fact that would be an impressive review rating for any product.

Toshiba 15LV506 Equals Quality, Reliability and Cost Value

Toshiba continues to be the market share leader in the **Lcd HdTv Dvd Combo** arena for three good reason's "The consumer get's a top quality, reliable product at a very reasonable price".

With the [15LV506](#) Digital Tuning and High Definition signal capability, you get the stunning picture display quality of larger, more expensive TVs.
